CATCH Apprenticeship Application Guide

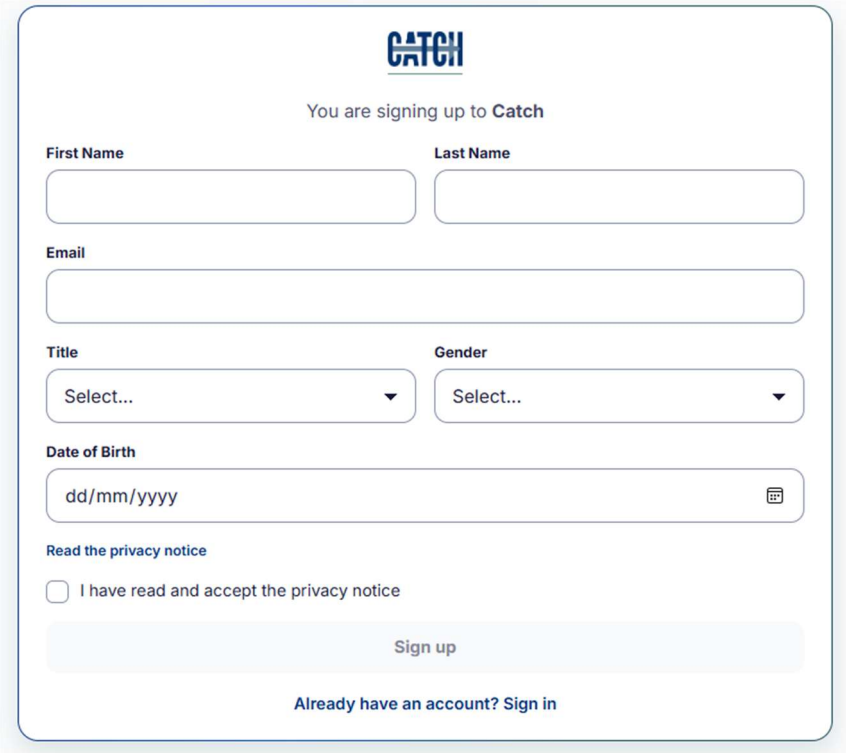
Step 1: Visit the CATCH Website

- Go to the CATCH website: https://catchuk.org
- Click **Apply Now.**
- You will be directed to the StartingPoint application platform.

Step 2: Create Your StartingPoint Account

New Applicants

- Register for a new StartingPoint account.
- Complete the registration details.
- Read and accept the Terms and Conditions before continuing.



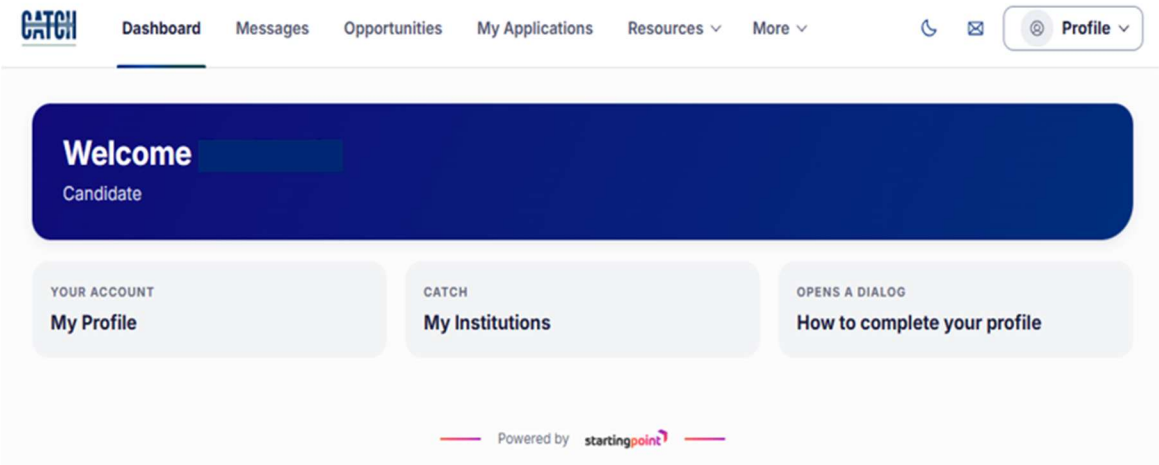
Existing Users: If you already have a StartingPoint account, you can reset your password if required and log in using your existing details.

Step 3: Explore Your Dashboard

Once logged in, your dashboard will be your main home page.

From here you can:

- View and update your profile.
- Send and receive messages.
- Search and apply for apprenticeship opportunities.
- Track your applications.
- Access helpful articles and videos to support your apprenticeship journey

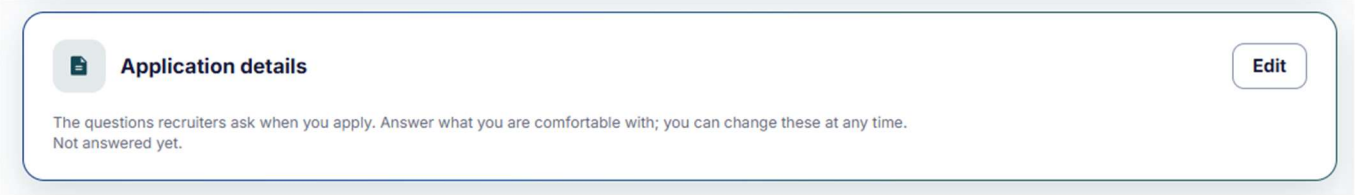


Step 4: Complete Your Profile

Select **My Profile** and begin building your application.

Application Questions

Complete the eligibility questions first. This allows CATCH to assess your suitability and progress your application.

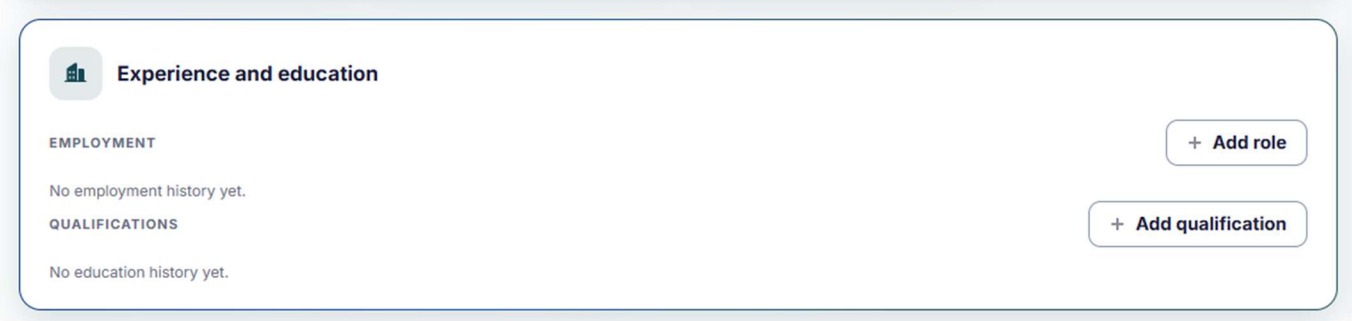


Education

Add details of:

- Your current or most recent school, college or training provider.
- All qualifications achieved or being studied.
- Your **GCSE Maths grade.**
- Your **GCSE English grade** .
- Your **GCSE Science grade(s)**.
- Any relevant vocational, technical or additional qualifications.

Important: Please clearly indicate whether your grades are **achieved (actual)** or **predicted**. Providing accurate information helps us assess your eligibility for apprenticeship opportunities.



Additional Information

Build your profile by completing all available sections, including:

- Work experience
- Skills and achievements
- Personal statement
- Supporting evidence or certificates

You can save your progress and return later if needed.

Step 5: Check Your Profile Strength

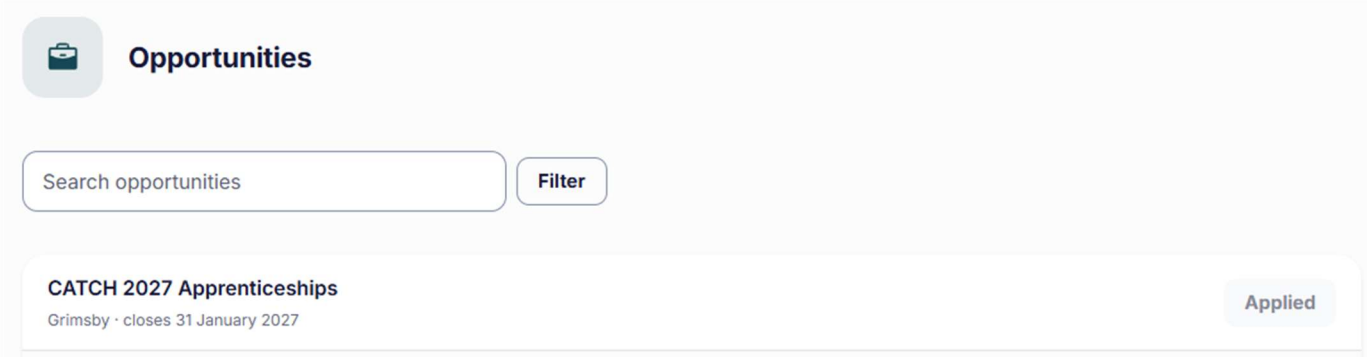
As you complete sections of your profile, monitor the profile completion and strength indicators.

A fully completed profile gives employers more information about you and can improve your chances of securing interviews and apprenticeship opportunities.

Step 6: Apply for the CATCH 2027 Apprenticeship Opportunity

Once your profile is complete, you must **apply** to the apprenticeship vacancy.

1. Select Opportunities from the menu.
2. Search for CATCH 2027 Apprenticeships.
3. Click the **Apply** button next to the opportunity.



Important: Completing your profile alone does not submit an application. You must click Apply on the CATCH 2027 Apprenticeships opportunity to ensure your application is received and processed by the CATCH recruitment team.

Top Tip: After applying, regularly check your dashboard and messages for updates, event invitations and communications regarding the next stage of the recruitment process.
